

# TINTA AMARELA PARCELA VALDEMEDEL - ENVÍNATE

Extremadura

**APPELLATION:** Extremadura

**BLEND:** Tinta Amarela

**WINEMAKER:** Laura Ramos and José Martínez

**VINEYARD:** \_\_\_\_\_

The Valdemedel parcel is located in the surroundings of Alange, a municipality in the region of Extremadura, bordering Portugal's Alentejo, where Tinta Amarela is known as Trincadeira. The vineyard is planted at 500 metres of altitude on clay-calcareous soils, and climate is Mediterranean.

**VITICULTURE:** \_\_\_\_\_

Viticulture is organic. The vines are 15 years old and trained in the espalier system.

**WINEMAKING:** \_\_\_\_\_

The grapes are destemmed and undergo a wild fermentation and maceration for 18 days with daily manual pigeage, in open 500-litre French oak barrels. After malolactic fermentation ends, wine rests in barrel for 11 months with no racking.

**WEBSITE:** <http://www.envinate.es>

**This wine is suitable for vegans and vegetarians.**

**TASTING NOTES:** \_\_\_\_\_

The wine displays a lovely fragrance of strawberries, raspberries, blackberries, liquorice and black pepper. It is silky and juicy in the mouth with a lengthy finish.
