

PEQUENOS REBENTOS ANCESTRAL

PÉT NAT

Minho

APPELLATION: Vinho Verde

BLEND: Loureiro

WINEMAKER: Márcio Lopes

VINEYARD: _____

Vinho Verde is in the cool, verdant northwest of Portugal, which has a strong influence from the Atlantic ocean. The Loureiro for this wine is grown in sub-region Ponte de Lima. Soils are granitic and free draining; altitude is close to sea level.

VITICULTURE: _____

Márcio farms 5ha sustainably, and also buys grapes from selected growers that practice sustainable viticulture without the use of herbicides.

WINEMAKING: _____

The grapes are pressed and fermented in stainless-steel tanks using natural yeasts. Before fermentation is complete the wine is bottled under crown cap to finish fermentation in bottle in the ancestral style. The wine isn't filtered, and there are no sulphur additions.

This wine is suitable for vegans and vegetarians.

TASTING NOTES:

Floral, melon and delicate citrus aromas. A gentle, fine mousse with a dry citrus finish
